

Resolutions.

Lexington, Mo., Sept. 16, '18.
Mr. B. C. Drummond, Editor of
the Lexington News, Lexing-
ton, Mo.

Dear Sir:

At a meeting of the Lafayette
County Bar Association, held in
Lexington, Missouri, this date,
the following resolution was sub-
mitted and unanimously adopt-
ed by the Association:

"Whereas the members of the
Bar of Lafayette County, Mis-
souri, have willingly and cheer-
fully complied, so far as we
know, with the request of the
government, in gratuitously as-
sisting registrants to make full
and truthful answers to their
Questionnaires and in aiding
generally in the just adminis-
tration of the Selective Service
Laws and Regulations, and

"Whereas there appeared in
"The Lexington News" of the is-
sue of Thursday, September 5th,
1918, the following article:

Wesley Johnson, son of Wm.
T. Johnson, a prominent farmer
and stockman of the Odessa
Country, was arrested last week
and taken before Commissioner
Arnold at Kansas City, charged
with evading the draft. Johnson
asserts, according to gossip, that
he was two days past the draft
age at the time of the registra-
tion in 1917. The department
has had his case under investi-
gation for some time and his ar-
rest is the result of the investi-
gation. The elder Johnson was
in Lexington Friday to employ
counsel to look after the inter-
ests of his son when his hearing
comes up in Kansas City.

Right here is an observation
that we want to make that may
get under the hide of at least
two profiteering lawyers in this
county. If the Government
would make it a felony for a
lawyer to take a fee for counsel
in draft cases, where there is
nothing but a question of fact
to be submitted, the Local Draft
Boards would have considerably
less trouble in properly classify-
ing the sons of rich fathers.
Lexington has one shining mark
of this class of Lawyer who has
doubtless gathered in a lot of
dirty money helping felows e-
vade service who ought to be in
the trenches." and

Whereas this article by its
terms directly charges that two
members of our Bar have been
guilty of improper practice; and
said article by reason of being
in terms, reflects upon the loy-
alty, patriotism, honor, integri-
ty and professional standing of
every member of our Bar. It is
therefore

Resolved that it is in strict
accord with the Code of Legal
Ethics of the American Bar
Association, the State Bar As-
sociation and the Legal Bar As-
sociation that all persons charg-
ed with the commission of of-
fenses against the laws of the
State or Nation being presumed
to be innocent until their guilt
is proven in a Court of Compe-
tent Jurisdiction are entitled to
the services of legal counsel in
fairly presenting their case be-
fore such Court, and be it fur-
ther

Resolved that if the charges
made in the second paragraph of
said article are true, this Bar is
entitled to, and desires to know
the facts, so that swift and
severe punishment may be met-
ed out of the offenders; and if
the charges be not true, the
suspicion cast upon every mem-
ber of the Bar should be remov-
ed, and we hereby request that
the facts upon which said
charges were based, and the
names of the members of the
Bar charged with, having so of-
fended, be transmitted to us, or
that said charges, if untrue, be
openly retracted. And be it
further

Resolved that a copy of this
resolution be served upon the
Editor of The Lexington News
and printed in each of the
papers published in this county.
